31th EBC Congress

Venice, Italy, 6-10 May 2007

On behalf of the Italian Brewers and Maltsters Association – Associazione degli Industriali della Birra e del Malto – I have great pleasure in inviting you to the 31st International Congress of the European Brewery Convention to be held in Venice, Italy, from 6 to 10 May 2007.

The conference centre on the Lido of Venice (the Palazzo del Cinema and the Palazzo del Casinò) – connected to Saint Mark's Square by a narrow strait of lagoon – stands in an area recognised worldwide as the setting for the annual Venice International Film Festival. In the immediate vicinity ample hotel rooms in various price categories are available.

To support the scientific programme technical visits are being arranged to Italian breweries. There will also be a full social programme and delegates and their partners will have opportunities to experience Italian hospitality and explore the beautiful and world-famous city of Venice and its surroundings.
